**CURB APPEAL RENOVATIONS, INC. WINS BEST ADDITION UNDER \$100,000  
AT THE 2006 STAR AWARDS HOSTED BY TEXAS ASSOCIATION OF BUILDERS**

**AUSTIN, TX** – The Texas Association of Builders is honored to announce that Curb Appeal Renovations, Inc. is the winner of the 2006 Star Awards' Best Addition Under \$100,000. The award was presented at the *Star Awards Gala* held at the Gaylord Texan Resort & Convention Center in Grapevine, TX during the 2006 Sunbelt Builders Show.

The highly-coveted Star Awards are given annually to recognize excellence in building, remodeling or development. A record 629 entrants submitted their best work for consideration in this year's competition.

There were no cutting corners during this award winning renovation by Curb Appeal Renovations, Inc. in Grapevine, Texas. A home office and an exterior roof design structure with an aesthetic appearance were of high importance. The gable roof with sky lights, a large round window above the exterior door and a vaulted ceiling made this choice for best addition an easy one for the Star Award judges.

The Texas Association of Builders is a non-profit organization with more than 11,000 members, serving the needs of builders and remodelers throughout Texas, as well as the companies that service them. The Star Awards are presented annually to honor the best in new building, remodeling, and restoration.
