**Curb Appeal Renovations, Inc. Receives Star Award for  
Best Bathroom Renovation (\$25,000 to \$50,000)**

Yet another star is born – the 2004 Star Award presented to Curb Appeal Renovations, Inc. by the Texas Association of Builders on Oct. 23 at the Gaylord Texan Resort. Curb Appeal Renovations, Inc. won the award for *Best Bathroom Renovation (\$25,000 to \$50,000)*. The highly coveted Star Awards are given annually to recognize excellence in building, remodeling, or development. More than 550 entrants submitted their best work for consideration in this year's competition.

This design transformed an outdated, dark space fraught with past remodeling mistakes into a relaxing retreat featuring granite counters, a rain glass/bronze-finished shower enclosure and Mexican hand-painted vanity sinks.

The Texas Association of Builders is a non-profit organization with more than 11,000 members, serving the needs of builders and remodelers throughout Texas, as well as the companies that service them. The Star Awards are presented annually to honor the best in new building, remodeling, and restoration.
