**Curb Appeal Renovations, Inc. Receives Star Award for
Best Bathroom Renovation (under \$25,000)**

Yet another star is born – the 2004 Star Award presented to Curb Appeal Renovations, Inc. by the Texas Association of Builders on Oct. 23 at the Gaylord Texan Resort. Curb Appeal Renovations, Inc. won the award for *Best Bathroom Renovation (under \$25,000)*. The highly coveted Star Awards are given annually to recognize excellence in building, remodeling, or development. More than 550 entrants submitted their best work for consideration in this year's competition.

An injury left the wheelchair-bound client unable to use his bathroom. He wanted the new design to be universal yet also appeal to future owners of the home. The result is a gorgeous space with granite counters and custom cabinets where accessibility is only one feature of many.

The Texas Association of Builders is a non-profit organization with more than 11,000 members, serving the needs of builders and remodelers throughout Texas, as well as the companies that service them. The Star Awards are presented annually to honor the best in new building, remodeling, and restoration. For more information, visit TAB's web site at www.TexasBuilders.org.
